Overview

Sababa is a beautifully appointed 2014 64’ Princess motor yacht. Her 4 stateroom configuration with crew quarters aft makes for a voluminous motor yacht in this size range. A large flybridge with expansive seating groups allows family and friends to gather with plenty of room. The salon is spacious and the aft deck sliding door opens all the way outboard to make a very open and airy transition from the salon to the aft deck. This US spec built boat is fully optioned out and ready to start cruising. Her CAT C-18 motors move her along nicely at 28knt cruise while only burning 84GPH. Her custom dark blue hull ensures her uniqueness at the marina and is one of a kind.
