ПОДРОБНОЕ ОПИСАНИЕ

Accomodations

The "Marlin" features a full salon with dinette, four stateroom layout with a spacious master stateroom with ensuite head, two stacked bunk staterooms and a forward VIP stateroom with ensuite head.

Salon

A large L-shaped off-white Ultraleather sofa is to starboard as you enter the electric sliding salon doorway. The carpet is a light beige that contrasts perfectly with the rich teak cabinetry. The starboard side of the salon features a row of teak cabinets which houses the 46" flatscreen Samsung television, which lifts from its concealed mounting within the marble top for viewing. The remote controlled window treatments are mounted behind custom teak valances which also service to hide the air conditioning discharge vents. Rod storage is provided by a custom drop-down locker concealed in the headliner above the companionway threshold. Lighting is provided by overhead LED lights recessed in the headliner.

- L-Shaped Ultraleather Sofa
- Scotsman Ice Maker
- Scotsman Wine Cooler
- Custom Storage for Liquor and Wine Glasses
- Main Electrical Service Panel

Galley

The U-shaped galley is to starboard with a peninsula that serves as both a counter top working space and home for the KitchenAid undercounter refrigerator and freezer units. Along the bulkhead there is storage above and below the marble counter top with a GE Profile convection microwave oven and Jura Impressa Espresso Machine concealed behind the teak cabinetry above. The Emperador marble countertop on aft portion of the galley peninsula has an overhang with two custom bar stools.

Dinette

An elevated U-shaped sofa with seating for four surrounds a custom, marble topped dinette table. Storage is available beneath the sofa base and within the table pedestal. A custom Chris Channell backlit glass mural is set into the forward dinette bulkhead. Deep drawer storage is found within the dinette base.

Audio / Visual

A Crestron system manages seamless control of the A/V throughout the boat via room handheld remotes, iPad / iPhone applications and dedicated Crestron 9" touch panel with voice control in the Salon. The salon and master stateroom are each equipped with a Samsung LCD display on a motorized TV lift, Oppo-Blu Ray Player, Intera Surround Sound Receivers, Internet Streaming Radio and Wireless Streaming via Airplay cabability. A KVH Satellite TracVision powers (5) USA DirecTV Receivers and (5) Latin DirecTV Receivers which distribute video throughout for documentation. 4G cellular internet and Qualcomm Globalstar Satellite Phone ensure constant connectivity. High resolution IP cameras capture cockpit and underwater video footage, recording to a local 1TB hard drive. The salon display allows viewing of the camera system, Maretron, DirecTV USA, DirecTV Latin and NavNet. The salon backlit artwork is integrated and controllable from any of the suer interfaces. The master stateroom has access to a dedicated BluRay and DirecTV USA and Latin. The remaining rooms have access to DirecTV USA and Latin. The forward stateroom features a Denon M37 CD Receiver tied to dedicated stereo speakers. The receiver allows local FM/AM and CD played and is also tied into the main audio system for audio source sharing.
