OVERVIEW

Launched in 2024 by WALLY, DIMPLE is a Power 50 measuring 48 feet, a refined fusion of contemporary style, performance and versatility. Uniting the hallmarks of the wallypower line with the spirit of the wallytender, she performs equally well as a luxury weekender, superyacht tender or chase boat.

Mirroring the celebrated wallypower58, she showcases sleek architectural lines, flush decks and Wally's signature glass-and-carbon cockpit structure. Fold-down side terraces extend the aft deck by a further 6 square metres, creating a generous waterside lounge. Two independent sunbeds and modular cockpit seating with dining for up to eight cultivate an inviting setting for relaxation and entertaining. Below, an elegant double cabin with Wally's Magic Portholes is paired with a private bathroom and a flexible open space, featuring refined finishes and a layout designed for comfortable overnights.

Twin Volvo Penta IPS650s showing only 70 hours each deliver a 36-knot top speed and a 30-knot cruise, with joystick control for effortless close-quarters handling.

DETAILED DESCRIPTION

Options

DIMPLE is a 2024 WALLY Power 50, 48 ft LOA. The yacht features a 16” monitor in the helm station (distinct from standard), a light Dynamic Positioning System, an autopilot for IPS Volvo, a bow thruster, protective covers for external cushions, and safety equipment/homologation for 12 people (raft + jackets). Navigation and anchoring enhancements include a digital chain counter for each anchor, a camera for the moving anchor, a radome Garmin radar, and a Garmin AIS transceiver. Electrical and power systems comprise an Inverter Mastervolt Mass Sine 12V 2000W and a Mase 10.5 kW generator, plus cabling preparation for a backlit name and export documentation for operations outside the EEC. Comfort and external conveniences feature an ice maker Hoshizaki with filtering system, Xeno lights under the bathing platform, a stern comfort carbon shower, a microwave oven, an additional drawer fridge under the right bench (30 L), sun canopies for the cockpit, windscreen and side windows covers, lighting with electrical control, and an A/V upgrade on external areas. Structural, finish, and equipment upgrades include a gyro stabilizer, Magic Porthole, metallic painting of the hull, wipers with carbon arms, air conditioning for lower and main deck, primer under the antifouling, an induction cooktop, and a driver’s seat with forward/backward manual system. The specification also notes extra handling fees. Shestakov Yacht Sales.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
