SPECIFICATIONS

Overview

*****Super Yacht Quality Under 60 Feet*****

Beneteau's newest design, the MC5, branches the gap between Beneteau Power and Monte Carlo Yachts. The combination of Italian design and French boat building has created a stunning yacht that is sure to out shine all other yachts in her class.

Her hull, designed for Volvo's IPS drives, features a wave piercing bow which improves her navigation in the roughest seas.

Beneteau Power has dramatically increased the quality of design and build in this model. She is a must see during your search of a yacht under 60 feet.

Call today to find out about her many features including:

- **IPS Drives**
- *Hydraulic Swim Platform*
- Flybridge Seating for 12 with optional flybridge A/C
- Optional Captains Quarters
- 3 staterooms/2 heads
- Full Beam Master
- 2 x Simard NSS16s at Lower Helm

Every new Beneteau comes with a 3 year stem to stern warranty and a 7 year structural warranty backed by Beneteau.

Engine Type: Other

Fuel Type: Diesel

DETAILED INFORMATION

Monte Carlo Concept

The *Monte Carlo line* represents the continuation of the **Monte Carlo Yachts below 60 feet**. The Monte Carlo models share the **same vision of luxury** introduced by the MCY which combines a timeless elegance and the great pleasure to be aboard. The MC 5 stands as a precursor in the Beneteau range in terms of luxury perception : new materials, new wood finishing, strong attention to details… directly inherited from the world of MCY.

The *MC 5* is designed in the **pure Beneteau nautical tradition**, and thus benefits from the experience, the engineering and the industrial power of a nearly **130 years old worldwide established leading brand.**

The *MC 5* is a motor cruiser designed to meet the expectations of a **worldwide clientele** : she offers great living spaces flooded with natural light, high end equipments and technologies to enhance comfort and ensure ultimate well being for her owners and their guests. The MC 5 is meant to be triply great :

Great volume. Great comfort. Great style.

Hull Design

The hull of the Monte Carlo 5 has been designed to **enhance the comfort** of the owner and its guests during the navigation ; to make the journey as much a **pleasure** as the destination.

- The bow is thin and flared, which ensures a **smooth and safe handling**, as well as a **good deflection** to avoid any back spray.
- Besides, the deadrise at transom (V angle) is approximately 15°, thus quite flat, which provides a good lift and optimizes the **efficiency of the IPS** pods drives. Sides hard chines provide a very **good stability** at mooring and during navigation.
- Finally, this hull design also creates a better bow rise attitude (4° compared to 6° traditionally) : ensuring **optimal visibility** for the pilot and the crew.

Deck Layout

Hydraulic platform (Trim level Exclusive) :

- integrated cradle for tender
- maximum load: 350kg /771lbs
- integrated ladder with good ergonomic and high handrails

L shape saloon in cockpit

- Seating for 6 pers
- Optional teak table

Retractable sun shade (option)

Easy and safe access to the bridge with a molded staircase. With storage.

Bow sun pad :

- Retractable backrest
- Speakers and audio remote (option)

Additional Options: aft barbecue and wet bar accessed on swim platform • Kenyon grill • Sink w/ hot & cold water • Worktop and lights **Choice of layout** : large stowage or crew cabin **Cockpit protection** : - Aft closing system – color Graphite (option) - Retractable electric sun awning – color Cream (option)

Interior Design

– The wood is **Alpi oak** veneer with a brushed finishing, giving a warm and fine perception. – The top of the furniture is padded with **leather** (Trim Level Avantage) and the bullnoses are painted in « Stonegrey » color, with a soft touch finishing. Doors are padded with the same leather (option). – The general color harmony is made of **natural tones** : shades of grey, cream, taupe, all emphasized by the different textures of the materials. – Many **rich materials** have been used to coat the furniture, bulkheads and ceilings : Corian in the galley, Majilite fabrics, high gloss and metallic painting, details of sewing, stainless steel frames for windows and doors – Every **detail** was considered : the tap of the galley sink is perfectly integrated in a stainless steel profile, taps of the heads are flush mounted, indirect LED lights are embedded to emphasize the nice shapes and details, embroideries on bed head boards… the MC 5 will impress !

Interior Layout

Aft door:

- Full opening on the cockpit - High perceived value: stainless steel frame and mirror tinted glass

Galley:

- Located at the center of the main deck, on the same level as the cockpit

- Choice of the equipment: 40L oven, 20L micro wave, electric cooktop, dishwasher, 2 size of fridges (drawers)

2 versions of galley : – 75L fridge + 75 L freezer + icemaker (standard). In this case, 40L oven and the dishwaher are not compatible. he 22L micro wave oven is available.
– 150L fridge + 75 L freezer + icemaker (high cabinet galley version). In this case, you can have all the equipments together, (40L oven and dishwasher).

Salon:

- seating for 6 pers

- New design of sofa with highly comfortable cushions - 32’’ TV on lifting system with Bose

Helm station:

- Seating for 2 - Full instruments, 2x 16’’MFDs - Good visibility thanks to single part Windscreen

- 2 opening windows, electric (option)

Accommodations

Full beam master:

- 2 panoramic windows with opening portholes - Private ensuite head - Large berth (6'7" x 5'7")
