SPECIFICATIONS

Overview

Hull Number 2 of "The Gotham Project Series" is available for purchase and delivery in June 2020. Hull Number 1 is SOLD and is not available. Designed to be different, engineered to excel, built for the bold. When Dutch quality meets exquisite exterior design the resulting product is unlike any other, The Gotham Project was designed to break tradition.

Powered by twin 2000hp MTU engines and capable of up to 26 Knots utilizing traditional shaft drives ensures she boasts the performance to match her striking exterior. Her custom glass wine cellar, gymnasium and striking symmetrical entertainment areas are just a few of her truly unique features.

A true Icon; a wolf in wolf’s clothing.

ICON YACHTS

True to the founding ideology of ICON Yachts the Gotham project evolved from a unique and striking design concept perceived by the talented hands of Ivan Erdevicki and a group of people recognizing the potential of this stunning project.

Together with the technical engineering team of ICON Yachts, the hugely experienced and knowledgeable team of Van Oossanen Naval Architects the Gotham project has developed into a sophisticated and capable yacht packed with the latest technology and equipment featuring a stunning interior layout.

Optimized for comfort and efficiency the Iconic 46 Meter platform ensures a WOW experience and memorable moments with family and friends.

ER YACHT DESIGN

Renowned yacht designer and naval architect Ivan Erdevicki, in close collaboration with ICON Yachts and dedicated project broker Bristow-Holmes have created a fast 45m Sports Superyacht for the next generation of yacht owners looking for something truly unique. The masculine and modern design of this sleek looking superyacht will steal the show everywhere she dares to go.

BRISTOW-HOLMES

With over 15 Years experience in the Yachting Industry founder Harry Bristow-Holmes was one of the key founders of “The Gotham Project”. With a passion for custom Yacht Building and a reputation for bringing a fresh, bold approach to the world of yachting Bristow-Holmes was a driving factor in the development of “The Gotham Project”. With an unbridled reputation combined with a wealth of experience, knowledge and unparalleled global partnerships Bristow-Holmes is perfectly placed to look after your interests throughout the build process.
