OVERVIEW

Manufactured with Advanced Carbon Epoxy Technology

The 425 LXF presents exceptional structural integrity, remarkable strength, and a Class A finish that delivers unparalleled performance. Equipped with a standard Seakeeper gyro stabilizer, second-row seating, and an innovative leaning post featuring an electrically-operated fiberglass drawer cooler, this yacht also boasts a summer kitchen complete with a grill, sink, and cutting board, along with swivel barstools that conveniently tuck away. This model truly encompasses everything you desire in a luxury vessel.

The S-Class (luxury models 33' and above) represents the pinnacle of our offerings—an elite level of opulence akin to that found in high-end luxury vehicles. The 425 LXF is expertly designed using state-of-the-art Carbon Epoxy Construction (with Carbon Fiber/E-Glass as the primary material in the Epoxy Infusion process) and the most advanced dual Scout Stepped Hull Technology, all while integrating a sophisticated array of features and technologies. Our S-Class signifies the ultimate choice for discerning customers looking to buy a yacht in the current boat location, making it a standout option in yacht sales in the current boat location.
