## OVERVIEW

---

The 350 Realm is a stunning vessel that seamlessly blends remarkable performance with thoughtful features and unparalleled luxury. Whether you're hosting friends and family, exploring remote islands, pursuing deep-sea fishing, or enjoying extended days at anchor, this yacht is designed for every escapade. Its innovative design guarantees exceptional handling on the water, allowing your imagination to steer the way.

Equipped with triple 350-hp Mercury® Verado® engines, this yacht delivers extraordinary power and accuracy.

A generous 400-gallon fuel tank ensures an impressive cruising range.

The sturdy forward console lounge features fold-down armrests and drink holders, complemented by island deck seating.

A portside dive/boarding door with a removable stainless-steel ladder enhances your water activities.

The Cockpit Prep Center is perfect for entertaining, featuring a refrigerator, hot and cold freshwater sink, electric grill, and more.

The cozy cabin includes a convertible V-berth/seating area and a well-appointed head, ensuring comfort for long journeys and overnight stays.

The Joystick Piloting system simplifies docking, while the Skyhook autopilot functionality makes station-keeping effortless.

Fishing enthusiasts will appreciate the pressurized 15-gallon aft livewell, two insulated in-floor fishboxes, and optional outriggers.

### Standard Equipment

All hardware crafted from 316-L stainless steel

All rails constructed from welded 316-L stainless steel

### Deck / Cockpit

10" stainless steel cleats – stern cockpit with gunnel board hawse pipe (2),

anchor locker (1)

10" stainless steel pull-up cleats – bow (2), midship spring line (2), crosstie cleats at transom (2)

28" interior freeboard

Acrylic transom door with stainless steel latch

Bow eye

Stainless steel drink holders – bow (8), helm (2), prep station (3), forward console lounge (3), cockpit gunnel boards (1)

Integral swim platform with recessed telescoping dive ladder and grab rail

Full coaming bolsters

Blue and white LED courtesy lighting in the cockpit

LED lighting in the machinery space

Molded fiberglass port side dive/boarding door with removable stainless steel dive ladder

Pressurized livewell (15 gallons) in aft port corner with clear lid and blue interior with red LED lights

Low profile welded stainless steel bow rail

Stainless steel handrails

Heavy-duty white rub rail with stainless steel insert

Gunnel-mounted rod holders – starboard cockpit (2), port cockpit (2)

Transom rod holders (3)

Self-bailing cockpit sole

Thru hull anchor roller davit (stainless steel)

Windlass with 400' of rode and chain, handheld remote control, stainless steel swivel, and polished stainless steel bow roller

Helm Console

Center helm layout

Compass

Dash visor with custom stitched cover and recessed storage tray with USB and 12-V charging receptacles

Drink holders (3)

Electronics mounting surface for dual displays

Illuminated electrical system switch panel

Remote key ignition switches in main DC panel cabinet with pushbutton start/stop at helm

Lockable acrylic sliding cabin entry door

Mercury DTS dual binnacle controls featuring Shadow Mode for center engine with integrated engine trim controls

Mercury SmartCraft Vessel View Display 7" color LCD display (network connections to Raymarine with Navigation Package) (located on hardtop)

Molded console footrests and fold-down helm standing platform with maintenance-free, anti-fatigue synthetic surface for improved visibility and comfort

Seating Exterior

Foldout stern bench seat

Bow lounge with backrest and fold-down armrests with integrated drink holders (3)

Bow wrap-around seating with drink holders (4), full height forward bolster, and removable cushions

Deluxe swivel 2-person helm seat with armrests (adjustable electric slide and 180-degree rotation for conversation and dining)

Helm deck second row with 2-person seat that converts to an aft-facing seat with flip-down teak footrests

## Storage

Bow anchor locker with drains and LED lighting

Canvas or lifejacket storage cabinet

Drawer storage in helm deck prep station

Forward coaming pockets

Head storage compartment (under vanity)

Insulated 230qt built-in cooler/storage under second row seating

Insulated 26qt cooler tub in starboard helm deck counter

Insulated in-floor fishboxes with pump-out – aft (2)

Lockable electronics box in hardtop

Storage cabinet under starboard helm deck counter

Storage under bow seat with LED lighting

## Hardtop / Windshield System

Custom powder-coated aluminum hardtop frame integrated into the deck for unobstructed walkways

Canvas enclosure or lifejacket storage

Windshield defogger system (integrated into the hardtop)

Recessed LED lighting for cockpit area (2)

Red/white LED courtesy map light (1)

Blue/white LED overhead courtesy lighting (6)

LED navigation lights recessed in the hardtop

Lockable electronics box with 12V receptacle

Outrigger ready

Tempered glass windshield with power actuated vent

Windshield wiper with intermittent control and wash system

Prep Center

120V GFI outlet

Drink holders (3)

Electric grill with solid surface cover and custom popup rotation for prep counter while grilling

Freshwater sink with hot and cold

Stainless steel grab rail

Helm deck second row 2-person seat with conversion seatback transforming to an aft-facing seat with flip-down teak footrests

Insulated 230qt built-in cooler/storage under second row seating with dual access

Pullout teak footrest on the forward and aft sides of the second-row seating

Stainless steel refrigerator (12V/120V)(2.3 cubic ft.)

Storage drawers

Side pocket storage

Cabin Interior

28" flat screen HDTV (with Apple TV, integrated with included iPad)

Digital Vessel Control and Information – iPad with inductive wireless charging case (custom app to wirelessly monitor and control some vessel systems and DC circuits)

Opposing seating that converts to berth

LED overhead lights with dimmer switches (6)

LED blue/white diffused courtesy lighting with dimmer switch

Easy to clean interior materials

Opening portholes with screens (2)

Hardwood cabin sole  
Lockable acrylic cabin door  
Skylight  
Portside window  
120V receptacle (starboard side)  
12V receptacle  
Dual USB power receptacle (port and starboard)  
Carbon monoxide detector  
Enclosed Head Compartment  
120V outlet  
500 GPH shower sump  
Accent wall  
Solid surface tile flooring  
Full-length mirror  
Stainless steel fold-down hooks  
LED overhead lighting  
Pullout showerhead with mixer valve and vertical adjustment  
Hinged solid teak flip-up seat over toilet  
Shower curtain  
Molded fiberglass sink with hot and cold faucet  
Solid surface vanity countertop  
Teak storage shelf  
Toilet paper holder  
VacuFlush™ toilet, holding tank, dockside pump-out, overboard discharge, and tank level indicator  
Vanity grab rail

Vanity storage

Mechanical

350 V8 DTS Triple White Mercury FourStroke engines with hydraulic power steering

400-gallon aluminum fuel tank

Advanced battery management system (electric switches with pushbutton paralleling)

Air conditioner (cabin)(12,000 BTU, reverse cycle)

Air conditioner (cockpit)(18,000 BTU, reverse cycle)

Battery charger (50 AMP at 12V multi-stage charger)

Battery trays

High water bilge pump with alarm (2000 GPH aft)

Automatic bilge pump (1100 GPH fwd, 2000 GPH aft)

Bonding system for underwater through hull fittings

Cast bronze thru hulls, seacocks, and sea strainers (below waterline)

Cast stainless steel thru hulls (above waterline)

Electric trumpet horn

Electric trim tabs with indicator (Auto Glide, Dynamic Running Surface, dual ram)

Engine fuel/water separators

Freshwater dive door shower with hot and cold mixer located in prep station

Freshwater dockside hookup and tank level indicator integrated into Digital Monitoring System for hot and cold pressurized water system with 45-gallon tank
