ХАРАКТЕРИСТИКИ

Обзор

Custom built for a knowledgeable yachtsman, this fully stabilized vessel is loaded with equipment and features commonly found on much larger yachts such as bow and stern hydraulic thrusters, watermaker and a long list of extra equipment and custom touches such as the full size commercial refrigerator in the galley along with all new soft goods in 2015.

The well-proven Squadron 78 Custom is equipped for relaxing and entertaining on a grand scale. The huge and commanding flybridge gives the first clue to this remarkable yacht sociable intentions,. The elegant floating seats surround the large teak feature table where secret lights in the table itself create a discreet, romantic ambiance.

Poise and sophistication also reveal themselves whilst underway. The Squadron 78's design places heavy items like fuel over the center of buoyancy, which gives it it's legendary sea keeping properties, a pleasant sound and low vibration throughout.

Grand private staterooms combine light, space and air to stunning effect and as you move through the large, spacious entertaining areas you start to appreciate that behind the effortless nature of this yacht lies a wealth of well-considered features. In fact, it boasts the most extensive list of standard equipment in it's sector.

OCHO UNO is a very low hour vessel, turn key and ready to go!

Основная информация

ПОДРОБНОЕ ОПИСАНИЕ

Vessel Walk-Thru

OCHO UNO represents Fairline's award-winning Squadron 78 Custom model. This yacht embodies everything an owner would expect in a luxury performance Motoryacht along with many great things you probably wouldn’t. Large, luminous entertaining areas, grand private staterooms that combine light, space and air to stunning effect, and the dazzling interplay between the finest materials hand-selected granite work surfaces, hand-matched burls and exotic woods and state-of-the-art design accents and features. Custom built for a knowledgeable yachtsman, this fully stabilized vessel is loaded with equipment and features large yacht options to include bow and stern thrusters, watermaker, etc. Her interior was just updated to include new carpet, upholstery and soft goods in Nov 2015.

- Fire extinguisher
- Hanging locker (half-height)
- Hanging rail
- Miele washer & dryer
- Domedic 2-burner cook top
- Vitrifrigo refrigerator
- Vitrifrigo refrigerator under counter
- Private bath w/shower, vanity, mirror

Lower Helm Station Electronics & Equipment

- Garmin 6012 GPS map w/12" display
- Garmin 6008 GPS map w/8" display
- Garmin GMR 404 open array color Radar
- Garmin GMI - 20 digitial multi-function speed/depth log w/color display
- Garmin GHC 20 autopilot control
- Garmin GSM VHF radio
- Richie magnetic compass
- Access from helm to deck via (2) electrically locking side doors
- Adjustable/tilt steering wheel
- Bilge pump switches with integral operating warning lights and audible alarms
- Bow and stern thruster controls
- Centralized vacuum system for lower and upper decks
- Chart stowage
- Chart table and light
- Electronic single-lever throttle and gear controls for port and starboard engines
- Engine diagnostic system
- Foghorn with siren and loudhailer facility
- Full engine instrumentation including; tachometers, oil pressure gauges, temperature gauges, battery condition indicators, audible alarms and engine hour

meters
- Helm position indicator
- High speed magnetic compass
- Powered steering
- Random teak floor
- Red night-light illumination to helm
- Remote anchor winch controls
- Searchlight controls
- Rudder angle Indicator
- Trim tab controls
- (2) Electronic leather helm chairs

Flybridge Electronics & Equipment

- (2) Garmin 7012 12" GPS map displays
- Garmin Radar
- Garmin GSH 10 VHF
- Garmin GHC 10 Autopilot w/electro hydraulic pump
- VHF radio w/ loudhailer function
- Side power stabilizer control
- Bow and stern thruster controls
- Side power stabilizer control
- Electronic single-lever throttle and gear controls for main engines
- Searchlight w/auto panning & SOS modes
- Helm position indicator
- High speed magnetic compass
- Open scanner radar to mast
- Side power stabilizer control
- Bow and stern thruster controls
- Radar mast with down-lighting
- Remote anchor winch controls
- Remote control searchlight
- Repeat autopilot controls
- Repeat engine bay fire extinguisher controls
- Searchlight controls
- Adjustable/tilt steering wheel
- Dual trumpet electric horn
- Bilge pump warning lights and audible alarms
- Companion seating to helm
- Covers for helm, helm seats and back rests
- Dining table w/built in seating
- Bar with refrigerator, icemaker, sink & electric grill
- Fairline hydraulic electric boat deck davit/crane

- Forward seating with hi-lo table for sunbed conversion
- High speed magnetic compass
- Open scanner radar to mast
- Searchlight controls
- Stainless steel handrails
- Teak laid flybridge deck
- Teak laid oversize flybridge steps
- Trim tab controls
- (2) Independent helm and co-pilot seats with adjustment
- (2) Life raft stowage
- VHF radio w/ loudhailer function **Tenders**:
- 14' 2013 Aquascan Sprinter F14 Jet w/Yahama O/B
- 2013 Bombardier Sea Doo GTI

Deck & Hull Equipment

- Anchor chain locker
- Black water holding tank with input from all heads
- Deep 'V' forward; 18° deadrise aft
- Full length molded spray deflectors
- Hull/deck join bolted and bonded
- Polyurethane deck foam cores for high strength and excellent thermal insulation
- Propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing drought and improving efficiency by reducing the shaft angle
- Transverse and longitudinal strengthening stringers throughout hull
- (4) Lumishore blue LED underwater lights
- Anchor chain locker
- Anchor winch controls
- Lewmar Anchor hydraulic winch
- Blue Led side deck illumination
- Concealed telescopic swim ladder to swim platform
- Deck-wash points fore and aft
- Deck wash outlets
- Full set of IMCO navigation lights
- Hot and cold water transom shower
- Hydraulic hi/lo swim platform for tender launching and recovery
- Hydraulic transom gate from cockpit to integral platform
- Recessed self-draining area on foredeck
- Sun cushions and adjustable backrests
- Stainless steel bow fairleads and mooring drums aft
- Stainless steel bow, spring and stern cleats
- Stainless steel calibrated chain
- Stainless steel grab rail(s) on each transom wing

- Stainless steel handrails
- Stainless steel hull protection plate under bow
- Stainless steel self-stowing through-hull Delta® anchor
- Stainless steel pulpit
- Stainless steel removable guardrails for bathing platform
- Teak-laid swim platform
- Teak-laid bulwarks
- Twin horns
- Water fillers to port and starboard
- Windscreen washers

Aft Cockpit/Transom

- 12V heavy duty weatherproof socket
- Access hatch to engine room
- Aft cockpit enclosure covers
- Blue LED lighting to cockpit
- Dockside television and phone inlets
- Emergency boat shutdown switch
- Emergency fuel shut-off valves
- Fender stowage
- Handrail surround (solid teak)
- Low-level lights and lights under flybridge overhang
- Manual bilge pump(s)
- Mooring warps
- Opening porthole in crew cabin door
- Service corridor (with 'closed' crew cabin option) accessed via cockpit and transom door
- Stainless steel framed sliding door to main saloon
- Teak laid floor throughout self-draining cockpit
- Telescopic hydraulic concealed passerelle with remote control
- Third helm station (remote) - bow and stern thrusters and engine controls
- Warp lockers

Electrical Systems

- Twin Onan 17.5KW Generators w/ 300 hours on each gen
- All 12V equipment supplied from separate battery
- All 240V, 24V, 12V circuits protected by circuit breakers with main electrical load control panel
- Emergency boat shutdown switch
- Battery charger 60amp

- 24V-12V 20amp converter
- (2) Hubbell 50 amp shore power
- Acme 16KVA transformers
- Galvanic 60 amp isolator
- (2) Heavy duty batteries exclusively for port engine starting
- (2) Heavy duty batteries exclusively for starboard engine starting
- (4) Heavy duty batteries for domestic services
- 5000W Inverter
- Battery charger 75amp
- Glendinning cable masters with twin 100amp shoreline sockets stowed in drums
- Power points throughout the boat (fed from shore power or generator)
- Regulated charger 100amp with 2 x 3amp slave to port and starboard batteries

Engines and Mechanical

- Twin Caterpillar C32, 1622HP ea
- Horizon Seafari 450 Watermaker
- Hydro Electro/hydraulic steering
- 4 Bladed Nibral props
- Bennett Trim Tabs
- Side Power Hydraulic 565-1000 Stabilizers
- Side Power Hydraulic SP300 Bow & Stern Thrusters
- (2) ITT Jabsco Ventilation
- 301 Gallon Fresh Water Tank
- (2) 10 Gallon Grey Water Tanks
- (3) Domedic Black Water waste tank
- (2) Sea Strainers
- (2) Electro- Hydraulic Hypro Marine Steering
- (4) Rule 2000GPH 24DC pumps w/ automatic float switches
- Sea Fire Automatic Fire System
- Marine Air A/C System
- Air Seps
- Dual Recor 1000/Fuel/Water Separators w/ Manifold
- ZF 206OA Gears
- (2) Jabsco engine room ventilation

Исключения

При продаже яхты исключаются личные вещи владельца.
