Overview

If you are in the market for a clean, mean, fishing machine – R & R has it all. This Regulator 32 FS center console has been lightly used and heavily cared for. From the hardtop to the seat cushions, down to the deep blue hull and back to the pair of 350 Yamaha engines, everything shines on this boat. It is apparent the owner has taken meticulous care over the years to maintain a new boat sheen on every aspect of the vessel. R & R is equipped with a fisherman's arsenal; however the forward seating and 10' 5" beam allows it to transform into an island boat, big enough to fit the whole family. Stop cutting your days on the water short. Don't miss out on your chance to own a top brand for a fraction of the cost. This one won't last long!

Conveniently located in St. Petersburg, FL. Call today to schedule a private showing!
