15. COMMENTS

Having undergone a significant refit under her current ownership, the sleek and fast HER DESTINY has a fresh contemporary new interior and is in superb condition. Following a full repaint of the yacht, the refit included a full redesign of the interior, a new flybridge layout, as well as the fitting of zero speed stabilisers and more recently the addition of a 10.3m chase boat.

Her beautiful new interior is finished with white and silver detailing and, flooded with natural daylight, is light and airy throughout. Hints of marble and neutral coloured soft furnishings blend seamlessly to create a relaxed ambience. The main salon and dining area bring the outside in through the large windows and large curving glass doors that lead to the main deck aft dining area.

Spacious deck areas allow for fabulous entertaining and outdoor dining. HER DESTINY's sun deck has been designed for total relaxation with a Jacuzzi, shaded dining table and ample sunbathing and lounging areas fore and aft. The flybridge also has a large sunbathing area with cushions. Her main deck aft also boasts a large table with sofas and seating for up to 12 guests. She also benefits from a swim platform and vast array of watersports equipment.

All the latest, state-of-the-art entertainment and communications equipment can be found on board and throughout her accommodation, which comprises a

master cabin, two double cabins, one twin cabin, and a further children's cabin with four single berths. With a cruising speed of 22 knots and a maximum speed of 30 knots HER DESTINY carves through the waves with ease and has huge charter appeal.

HER DESTINY is a stylish yacht with a superb layout which has proven popular with charter guests. With her recently upgraded, contemporary and spacious interior and plentiful deck spaces, this all aluminium fast cruising yacht provides the perfect combination of performance and luxury.
