Broker's Remarks

I personally managed the build of this Custom 52' Ocean and have sold the boat two times after that. Each new owner has been more meticulous than the previous owner.

This listing sheet, which is very thorough, does not do the boat justice. REEL BLESSING must be seen to be truly appreciated.

If you are in the market for a clean, magnificent custom sportfish, REEL BLESSING is a must see.

Exclusions

Owner's personal belongings.
