Broker Remarks

The Inlet Magic is a custom Billy Holton Sport Fish that is in a class of it own! This boat has one of the greatest riding hulls I have had the pleasure of riding on. The deep sheer entry, unique hull design and wide flare gives the Inlet Magic a phenomenal ride in any sea you would want to go fishing in! She has a 3 stateroom layout with two heads. This boat has one of the widest beams in her class that gives you the comfort and space inside the salon and staterooms. The over-sized cockpit with mezzanine allows for your family and crew to fish in comfort. The boat has a high transom that will allow the captain to back down hard in any sea on a large billfish or tuna, or just run down the sailfish when you need to. The bath tub bottom in the transom and beam make the boat extremely stable. The boat has shaft tubes to reduce drag on the hull. When pulling into a new marina or just the same ole slip you will turn heads with this vessel. One of the newest features is the 2020 paint job done at Michael Rybovich and Sons boat yard. The new paint job will not disappoint. Also she was built for the family that owns her now. She is a one owner boat and maintained with a full time captain and mate with no expense spared.

Please call to set up your showing today, you will not be disappointed!!!
