## X80 Model Features

---

The PRINCESS X80 is a luxury motor yacht with three decks and a large flybridge. It has a composite hull, hardtop, and a layout aimed at comfort for owner and guests.

Four cabins make it well suited to long trips and holidays with family or friends. Production began in 2020 and the model remains in build; used examples in very good condition are also on the market.

Part of the X Class range, the PRINCESS X80 pairs modern design with up-to-date technology: stabilisation, integrated controls, and efficient engines. Large glazing gives wide views and plenty of daylight below.

Popular alternatives: Azimut Yachts 80 CARAT - elegant, with slightly less interior space; Ferretti Yachts 1000 - bigger, at a higher price; Princess Y85 - comparable idea, with a more classic look; Sunseeker 80 Yacht - sporty, with less focus on long-range use; Absolute Yachts Navetta 68 - smaller and a

different layout.

The PRINCESS X80 offers a strong mix of technology, comfort, and value, delivering a premium experience without excess complexity.

## Questions & Answers

**What are the advantages of buying a pre-owned PRINCESS X80?** A used yacht can mean lower cost without giving up quality or comfort. Many listings are in very good order and include a full set of options.

**How reliable are the technologies used in the X80?** Princess Yachts fits well-proven and current systems—stabilisers, smart control, efficient engines—for reliability and straightforward upkeep.

**Is the X80 suitable for charter business?** Yes. The model is popular for charter because of its comfort, capacity, and premium positioning. It appeals to clients who want modern design and high service levels.

**How does the yacht selection and inspection process work?** We search the market, shortlist vessels, carry out inspections, and verify paperwork and history. We can arrange a sea trial to check performance when needed.

**Is it possible to change the layout or options on a pre-owned yacht?** Yes. Many owners have made changes. We can advise on what is feasible and help choose a boat that fits your plans.
