SPECIFICATIONS

Overview

The Vicem Classic 58 is one of the most popular builds from the downeast style builder. Built in 2018, and thoughtfully maintained, “Clermont” represents the best in classic styling, craftsmanship, and modern technology. The exterior lines of the Vicem 58 stay true to the classic style of a downeast yacht while her interior woodwork is expertly crafted out of teak and mahogany. She is powered by twin 725 hp Volvo Penta D-11s - each with under 700 hours - reaching a cruising speed of 25 knots and a top speed of 29 knots.

The cockpit on “Clermont” is expansive with a fold out large teak table and L-shaped built in seating. Forward to port in the cockpit is additional seating and to starboard, a wet bar complete with sink and electric grill with a refrigerator and storage below. An electric awning can be extended to provide this entertainment space with ample shade. The salon is accessed via varnished mahogany and glass door. Inside, you will find two couches, one port and one aft. A 40” flatscreen TV is concealed to starboard. Forward is the helm with its modern electronics finished with mahogany wood.

Below the main deck, “Clermont” features a three stateroom, two head layout with the galley down. The galley features ample refrigeration and freezer space with a sink, microwave, cooktop and dishwasher. The master stateroom is forward with a queen size bed and en-suite heads. The starboard guest room features two twin beds, and the port guest room features two twin bunk beds.

Key features:

Fresh bottom job in March 2021

Full engine service May 2021

All brightwork redone May 2021

Upgraded stereo system throughout

Easily seen in West Palm Beach, FL!
