ХАРАКТЕРИСТИКИ

Обзор

"Tipping Point" is a very clean, well maintained, and heavily invested in Beneteau 40, Cruising World's 2007 Boat of the Year.

She is appointed with a large cockpit featuring two helm stations. Each with navigation instruments nearby for quick reference, as well as easy to reach primary winches facilitating short handed sailing.

The spacious and luminous interior of the Beneteau 40 is highlighted with rich, light-colored select Moabi hardwood and stainless steel highlights to create an essence of warmth and comfort.

"Tipping Point" is in pristine condition, and features the following recent investments:

- LED navigation and cabin lights installed Oct 2019
- New radio Icom IC-M424G GPS installed Oct 2019
- Bow thruster Side Power SE 80 installed Oct 2019
- New 32" LED Full HD Smart TV March 2020
- New Axiom 9 chart plotter installed May 2020
- Electric quiet flush fresh water head installed May 2020
- Replaced all underwater through hull fittings with Groco fittings June 2020
- New waste holding tank installed July 2020
- New Gobius waste holding tank gauge system installed July 2020
- New bilge pump installed July 2020
- Bottom paint and wax hull sides June 2020

This boat has been very well maintained and invested in. She is ready to get you on the water this season!

Производитель: Yanmar

ПОДРОБНОЕ ОПИСАНИЕ

Standard Equipment

CONSTRUCTION

Hull of hand-laid solid GRP (plastic based material consisting of fiberglass mixed with resin) bonded to a structural grid/hull liner of directional fiberglass/GRP for a strong, stiff, light composite. Vinylester hull barrier coat to resist osmotic blistering and zone-specific stitch mat laminates for specific increased strength optimization. Cored GRP sandwich construction on deck for stiffness, thermal and acoustic insulation and lighter weight, with solid fiberglass reinforcements in high load areas. Integral unidirectional GRP deck beams for added strength. Main bulkheads bonded 360° to the hull and deck for rigid torsional and compressive strength.

- Bottom paint and wax hull sides June 2020
- Bow thruster Side Power SE 80 installed Oct 2019

STANDING RIGGING

Anodized aluminum roller furling mast and boom. Fractional 9/10 anodized aluminum deck stepped mast standard w/mainsail furling system Twin aft swept spreader. Anodized aluminum boom w/outhaul car. Stainless steel shrouds and stays. Genoa roller furling system. Stainless steel chain plates tied to the inner moldings w/stainless steel tie rods.

RUNNING RIGGING

Running rigging is led to the cockpit.
