# DETAILED INFORMATION

## Introduction

After an extensive refit and a successful charter season, the owners have decided to move up. Brandi Wine offers an excellent opportunity for someone to purchase a turnkey charter yacht operation with a steady stream of bookings. She underwent a million-dollar refit in 2019-2020 and looks amazing. The list of toys and features are those only found on much larger vessels, zero speed stabilizers, Sea Bobs, Jet skis, hot tub, Dive compressor and gear. She has the ability to sleep as many as 10 in the owner's party and accommodate up to 5 crew at the same time. Take this rare opportunity to experience all that life has to offer.

## Yacht Description and Details

Below deck are four sumptuous staterooms including a full-beam master with high-gloss cherry woodwork trimmed in gloss camphor burl, lush fabrics, and a his and her ensuite bathroom with fluted sink bowls and Emperadora dark and light marble inlays in the walk-through shower. The port guest stateroom features twin berths which are convertible to queen bed, a pullman berth and ensuite head while the starboard stateroom has a single berth which is convertible to a full bed, a pullman berth and desk area on the opposite wall for onboard studies.
