ХАРАКТЕРИСТИКИ

Обзор

TNT has been enjoyed by an owner who cares for her as a family member: attention immediately when needed and the financial resource to make sure everything was done perfectly.

She is a unique opportunity to enjoy a yacht that performs better than brand new out of the factory. 2 Volvo Penta IPS, 600 with a combined 870 HP, will take the Air Step 2 Hull to exhilarating speed efficient fast cruising. Maneuvering with the IPS Joystick control could not be easier, and to cheat, there is also a Yacht Controller.

Very low hours and still under hull and engine warranties.
