Кубрик: Да

Размеры

Длина общая: 48' 0" (14.63m)

Ширина: 17' 4" (5.28m)

Макс. осадка: 4' 2" (1.27m)

Скорость, вместимость и масса

Крейс. скорость: 25 Kts. (29 MPH)

Макс. скорость: 31 Kts. (36 MPH)

Вместимость воды: 200 Gallons

Вместимость сточного бака: 70 Gallons

Объем топливного бака: 800 Gallons

Размещение

Всего кают: 2

Всего коек: 3

Спальные места: 4

Всего ком. состава: 1

Корпус и палуба

Материал корпуса: Cold Molded

Материал палубы: Teak

Комплектация корпуса: Semi-Displacement

Цвет корпуса: Mahogany

Информация о двигателе

Двигатели: 2

Производитель: Volvo

Модель: IPS 650

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Overview

NEW ARRIVAL

On display at the Newport Shipyard June 22 ,23 and 24 for viewings.

From the moment you get aboard “Trident” you will know you are on a proper yacht. A yacht that makes a statement about who you are, a symbol, a Trident! Built for a very experienced yachtsman with no expense spared, Trident was designed by world renowned naval architect Erwin Gerard of EG design and built by Maverick Sport Yachts of Costa Rica. Trident is a combination of experienced engineering, design, and quality craftsmanship. Her hull is constructed of cold-molded mahogany with clearcoat over the beautiful wood grain which gives her a stunning presence on the water. This hull shape provides eye-catching beauty and superior sea keeping abilities. While she is a custom build, Maverick is currently in construction to produce a sistership with a price tag of over $3 Million.

The aft cockpit offers a spacious venue for outdoor gathering with an L shaped settee to port and transom door to the swim platform on starboard. Stay out of the sun or rain with the removable sunshade which covers the cockpit. Up one step towards the cabin and you will see another L-shaped settee with a teak table for dining to port and a granite top grilling station to starboard and bench seat. The aft cabin bulkhead is varnished mahogany with a sliding entry door center-line. The main saloon features 2 L-shaped settees both port and starboard. Galley up to port and center helm station with dual updated (2019) Raymarine E-series plotters, FlIR, Radar and Volvo controls. Accommodations consist of one double berth and 2 single berths with one head.

Her cabin house is painted white and her teak walkaround decks show like new. Trident comes equip with a SeaKeeper^{tm} (rebuilt 2021) to maximize comfort at sea. She is powered by Volvo IPS 650 drives producing 480HP per motor with only 600 hours (as of June 2021). Economic cruise at 25 knots with a top end in the low 30kt range, Trident is a must see if you are considering a Sabre, Hinckley, Vicem, or Palm Beach Yachts.

Saloon

Self-contained Wabasto A/C and heating - Units replaced 2019
