OVERVIEW

Navalia 65 presents an exquisite blend of luxury and personalized comfort, epitomizing the essence of an Italian lobster yacht with exceptional value. This stunning vessel boasts a multitude of features, including expansive communal areas, enhanced safety, and remarkable comfort during navigation, all wrapped in an elegant aesthetic.

The outdoor environment is designed for socializing, featuring a spacious cockpit and serene relaxation spots both in the bow and on the expansive aft sun deck. Thoughtfully crafted details by the shipyard ensure a delightful experience on board, such as the generous side-decks that facilitate easy access to the bow.

Step inside to discover three beautifully appointed cabins, each with en-suite facilities, recently updated with a contemporary yet inviting design. The crew quarters, located at the bow, also include en-suite amenities, comfortably accommodating two crew members in a bunk bed arrangement.

No expense was spared in the extensive refit completed over the past two years, which included new carpeting, a renovated galley, fresh cushion covers, upgraded propellers, and a complete repainting of the hull and upper structure. The engine room has been meticulously refurbished, with engines fully serviced to ensure optimal performance.

For those interested in yacht sales in the current boat location, this Navalia 65 is a remarkable opportunity to buy a yacht that combines elegance with functionality. Additional details are available upon request.
