ХАРАКТЕРИСТИКИ

Обзор

Demar Yachts introduces its latest model, the **DMR 60**. She is a beautifully designed slick and sexy 60’ long luxury day boat with a dedicated comfort layout.

Comfort is the keyword of this large luxury day boat with a large deck space dedicated to lounging and outdoor living and dining. A huge sunbathing in the mid-aft and a perfectly protected modular outdoor seating allow you to enjoy with family or friends that perfect moment on the water. A total of 12 people can board the **DMR 60**, with her master and guest cabin she sleeps total of four (4) guests.

She is also equipped with a carbon fiber Opacmare 3382 transformer, stabilizer, yacht entertainment system and much more. She features two (2) Volvo Penta D8-600, Marine Diesel Engines (Total 1200 HP), propulsion system to optimize the cruising experience. In addition to the performance and fuel consumption aspects, this propulsion makes driving more pleasurable.

The standard configuration is two (2) Volvo Penta IPS D8 600 engines (600 hp each) at a top speed 32 Knots with the option of increasing power to 2x800 hp (Volvo Penta D13 800hp).

Main Deck:

An open, protected and comfortable deck plan. At the rear, a large swim platform transforms into a terrace on the water and lowers for easy access to the sea. At the mid-rear, an adjustable large sun-bed and the lounge layout of the boat makes for a perfect group setting.

The central cockpit offers a space protected by the height of the bulwark and the wide gunwales that allow you to move to the front deck. Al fresco dining and entertainment takes place on the comfortably installed two (2) L-shaped side benches, completed with central tables that are equipped with LED lighting cup holders.

On the starboard side, a bar with a refrigerator allows you to prepare some quick snacks & cocktails. On the port side, the cockpit is equipped with a double bench seat with backrest and a dashboard with Garmin touchscreen instrumentation via two 12-inch screens. These screens also allow you to manage all the boat's home automation systems: lighting programming, audio system, air conditioning, etc.

Below Deck:
