SPECIFICATIONS

Overview

Built in 2014, Cool Breeze is the ideal luxury yacht for kicking back and relaxing whilst on-board. Showcasing clever use of space with an artful combination of integrated systems and luxurious features, she's a crowd-pleaser for sure.

She offers guest accommodation for up to 10 guests in 5 suites comprising a master suite located on the main deck, two double cabins and two twin cabins. She is also capable of carrying up to 6 crew onboard to ensure a relaxed luxury yacht experience.

Built with a GRP hull and GRP superstructure, she offers greater on-board space and is more stable when at anchor thanks to her fill-displacement hull and zero-speed stabilizers. Powered by twin MAN engines, she comfortable cruises at 12 knots and reaches a maximum speed of 16 knots.

Cool Breeze is a must see and a great opportunity to acquire true yachting pedigree.
