SPECIFICATIONS

Overview

This stunning 1976 35-foot Bertram Convertible is in exceptional condition, showcasing the care it has received over the years. The engines were expertly rebuilt in 2013 by skilled racing mechanics, and all documentation is readily available for your review.

This vessel has spent its entire life in fresh water and has never been used for fishing, making it a pristine option for those looking to buy a yacht.

Powered by twin Crusader engines, each delivering 330 hp with only 650 hours of use, these fresh water-cooled engines are a true gem.

Operating at a cruise rate of 22 gallons per hour, this yacht runs exclusively on ethanol-free fuel. Accommodations include sleeping arrangements for four, featuring a private master stateroom and a dinette that converts into a twin bed.

Equipped with two Cruiseair air conditioning and heating units, both in excellent working order. The Onan generator has only 170 hours of use, ensuring reliable power for your adventures. Enjoy the latest technology with two brand new Garmin head units, complete with transducer and more.

The flybridge boasts a 12-inch Garmin display for easy navigation.

Stay safe with the Phantom X radar, offering a 48-mile range and integrated into both head units. The galley is well-appointed, and a new VacuFlush head adds to the convenience.

A brand new bridge enclosure enhances comfort, while the expansive 100-square-foot cockpit provides ample space for relaxation and entertainment.

Explore yacht sales in the current boat location and seize the opportunity to own this remarkable vessel. Contact us today for further details or to schedule a viewing of this exquisite yacht for sale.
