Overview

Voyager is a stunning 28' Cape Dory Flybridge Cruiser, perfectly designed for those who appreciate the art of cruising. With dual helm stations and a thoughtfully arranged layout, this yacht is ideal for leisurely outings, picnics, and exploring the beautiful surroundings with both style and ease. The durable fiberglass hull and deck ensure low maintenance for the owner, while the exterior teak accents have been recently treated with Cetol for a fresh look. Inside, the varnished teak woodwork adds a touch of elegance, providing comfortable accommodations for two below deck and two in the inviting wheelhouse. Thanks to her semi-displacement hull and upgraded diesel engine, she glides effortlessly through the water. Between 1984 and 1990, Cape Dory crafted 223 of these remarkable 28' powerboats, making her a reliable and seaworthy choice for discerning buyers. This yacht for sale is a true gem in the current boat location, perfect for anyone looking to buy a yacht that combines tradition with modern performance. Explore yacht sales in the current boat location and discover the luxury of Voyager today.

NEW POWER CRUISER

CAPE DORY TRAWLER 28

A rugged, quality built semi-displacement cruiser that will cut thru offshore chop at 12 to 14 knots. She's powered with a smooth, quiet, 100 h.p., 5 cylinder diesel. Perfect for coastal cruising and sport fishing. The CDT28 is built by the New England craftsmen of Cape Dory Yachts who have retained the classic good looks of a downeast lobster boat hull. She has a full keel for solid, stable sea handling qualities and safe, comfortable family cruising.

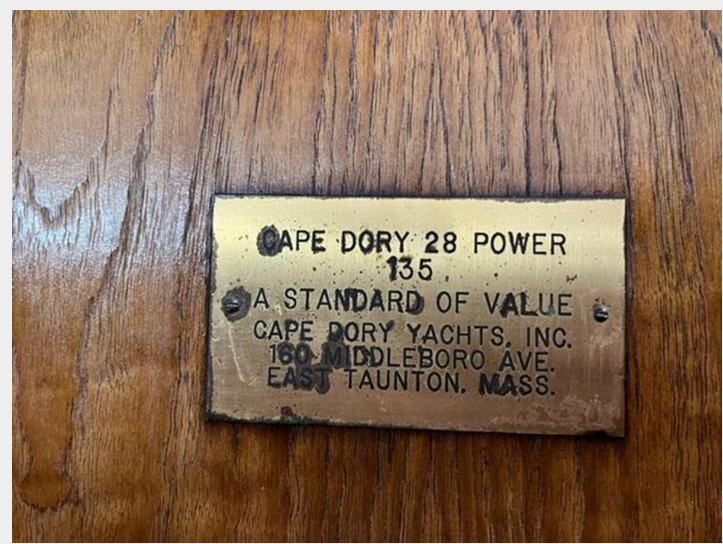

Her spacious interior makes weekending or extended cruising a pleasure. The CDT28 has a comfortable V-berth, complete galley and enclosed head below. A large dinette in the deckhouse converts into a double berth to sleep 4 in comfort and privacy on the CDT28. Call 617-823-6776 for details.
