SPECIFICATIONS

Overview

The port engine is in need of a complete overhaul, while the starboard engine is due for its 1000-hour service. The gel coat exhibits the familiar "egg shelling" cosmetic imperfections typical of its time. However, the yacht remains structurally sound and is a worthy candidate for the investments necessary to restore her to an exceptional state, both mechanically and aesthetically. With a replacement cost of \$3.12 million and a two-year wait for a new build, the value of this vessel is clear. This exquisite convertible sportfish offers luxurious interior accommodations, featuring a spacious salon and galley that seamlessly connect on the same level. It boasts three staterooms and two heads, making it ideal for both serious fishing adventures and leisurely cruising with friends and family.

For those interested in yacht sales in the current boat location, this is a remarkable opportunity to buy a yacht that promises both comfort and performance. Serious inquiries only, please.
