SPECIFICATIONS

Overview

This exquisite 2004 Carver 360 Mariner is an exceptional vessel designed for both leisurely cruising and sophisticated entertaining. Unlike conventional flybridge yachts, this model features a lower profile, ensuring it remains sleek and unobtrusive while docking in breezy conditions. The flybridge is a true entertainer's paradise, accommodating up to eleven guests, complete with a two-cubic-foot freezer, wet bar, and grill. Should inclement weather arise, a comprehensive bridge enclosure with windows guarantees a dry and comfortable experience from the front of the cockpit to the rear.

Twin 5.7-liter 320 HP Volvo FWC gas engines with a mere 503 hours

Two climate control units for heating and cooling
