## OVERVIEW

---

This exquisite yacht is primed for adventure! She is in exceptional condition and is a must-see for any discerning buyer.

**Design and Elegance:** The Hunter 44 features a modern and stylish silhouette, characterized by its sleek lines, pristine white hull, and an expansive deck that offers plenty of space for relaxation and social gatherings.

**Size and Luxury:** Measuring 44 feet, this sailboat provides generous living space, ensuring comfort for both leisurely day sails and longer voyages. The interior is designed with an inviting saloon, a well-equipped galley, and two private cabins, delivering a lavish experience for all aboard.

**Sailing Excellence:** Thanks to its cutting-edge B&R rig and contemporary design, the Hunter 44 shines in sailing performance. Whether you are an experienced sailor or just starting out, you will enjoy the effortless handling and remarkable performance this yacht provides.

**Amenities:** This Hunter 44 is outfitted with a variety of luxurious amenities, including a fully-equipped galley with all essential appliances, a spacious dining area, and a cozy seating space with stunning views. The cabins are elegantly designed to ensure peaceful nights on the water.

The 44 Aft Cockpit Cruiser shares its performance hull with the 44 Deck Saloon but features a more streamlined profile. Designed by the renowned Glenn Henderson, this yacht includes sophisticated elements not typically found in vessels of this size. Notably, the "Bow Hollow" enhances water flow in the forward sections, boosting hull speed, while the "Stern Reflex" minimizes turbulence for a smoother exit wake, further enhancing performance. Hunter has integrated valuable insights from recent IOR boats into their cruising designs, improving performance without compromising comfort and ease of sailing. The 44 Aft Cockpit offers outstanding amenities and comfort, including a unique forward stateroom layout with a V-berth double bed that maximizes

space and storage. The full-beam salon is perfect for entertaining and dining in style, while the master stateroom at the aft benefits from the wide beam extending well back. Standard inner spring mattresses and a beautifully finished teak interior with exquisite cabinetry elevate the experience.

Design - Glen Henderson
