SPECIFICATIONS

Overview

For sale is the final Series II Maritimo M48 Cruising Motoryacht ever constructed.

Additional information and images will be available following the antifoul completion in February 2021.

These vessels are among the most sought-after in the pre-owned Maritimo market, with only 8 ever produced and just a few remaining in Australia.

Maritimo crafted 108 M48s for a reason; they offer an exceptional combination of features, including the safety of internal staircases, walk-around side decks, and a fully enclosed flybridge. I had the pleasure of navigating this yacht to Hamilton Island with its proud owners, enduring every imaginable condition with remarkable resilience.

- Powered by Volvo D11 engines, delivering 670hp. The cooling system was serviced and cleaned last year.
- Comes with a new center console Brig Tender.
- Equipped with a new 350kg davit and foredeck tender mounts.
- Features a hydraulic swim platform with mounts for the tender.
- Includes a 130LPH Idromar watermaker.
- Outfitted with Garmin electronics, featuring an open array radar.

This yacht for sale represents a unique opportunity to buy a yacht that combines luxury and performance, located in the current boat location. Don't miss out on this exceptional yacht sale, as yacht sales in the current boat location are rare for such a prestigious model.
