OVERVIEW

The Grady-White 330 Express exemplifies exceptional craftsmanship from a renowned builder. Featuring the innovative SeaV2 hull design, this yacht promises extended adventures away from the dock, delivering a Deep V experience combined with Modified V efficiency.

This Grady-White 330 Express reflects the meticulous care of a discerning owner. Acquired in 2016 from its original proprietor, this vessel has been a source of unforgettable moments. It serves as an ideal choice for fishing, leisurely cruising, and day outings. Equipped with a complete helm enclosure, air conditioning and heating for both helm and cabin, along with a Fischer Panda 4Kw diesel generator (only 413 hours), this yacht can easily transition into a three-season vessel in the Northeast and Mid-Atlantic regions. The cockpit is generously sized, featuring high gunnels, transom seating, a large starboard transom door, and convenient steps leading to the side decks, ensuring safe access to the bow. The bow area boasts a spacious platform with elevated rails, perfect for sunbathing or anchoring, facilitated by the electric Lewmar windlass for effortless operation.

Designed for offshore fishing, this boat is equipped with Lee triple spreader outriggers and a center rigger. It includes a livewell and sink in the forward port cockpit corners, a washdown station, and a large fishbox at the transom, making it ready for tuna fishing in the canyons, powered by reliable twin Yamaha 300s (976 hours on port, 969 hours on starboard). Ample rod storage is available in rocket launchers around the hardtop, beneath the gunnels, and from the cabin headliner.

Utilize the twin engines and Lewmar bow thruster for smooth docking and departure. The twin Garmin GMap 7612xsv chartplotters, Garmin xHD2 radar with open array, Garmin autopilot, twin Garmin VHF 200s, FLIR thermal imaging camera, and remote spotlight will assist you in navigating to the

canyons or your cruising destinations with ease.

Below deck, you'll find a fully equipped galley featuring a microwave, refrigerator, and double burner electric stove, perfect for meal preparation while on the water. With sleeping arrangements for 4-6 guests, there's ample space for your crew. Additionally, the large standup head includes a Vacuflush toilet and shower for added convenience.

Best of all, it's a Grady-White! This esteemed manufacturer is celebrated not only for crafting outstanding yachts but also for providing exceptional customer support. The Grady-White 330 Express meets the diverse needs of today's boating enthusiasts. Visit this yacht for sale in its current boat location to discover why it's the perfect choice for you.
