**\*\*2018 Pursuit 355 OS\*\***

**\*\*FULLY EQUIPPED, TURNKEY, IDEAL FOR FAMILY FUN AND OFFSHORE EXPLORATION!\*\***

DON'T MISS OUT ON THIS IMPECCABLY MAINTAINED 2018 PURSUIT 355 OFFSHORE, KEPT IN FRESHWATER AND IN EXCELLENT CONDITION! IT WAS BOATHOUSE STORED UNTIL RECENTLY.

Pursuit Boats has once again raised the bar with the introduction of the OS 355 express. Instead of merely updating the previous OS 345 model, the design team crafted this vessel from the ground up, incorporating numerous stylish and significant enhancements. The 355 also excels in performance.

With a 12-foot beam and weighing nearly 17,000 pounds, the 355 is a robust vessel designed to tackle whatever the sea presents. Powered by twin Yamaha F350 four-stroke engines, this 2018 model is rated for 700hp. With a full crew and tanks, it can reach a top speed of nearly 44 mph. At a cruising speed of 4,000 rpm, it recorded 28.6 mph while consuming 29.1 gph, providing a range exceeding 350 miles—7% better than the OS 345.

Like its predecessors, the 355 offers a smooth, confident ride thanks to its meticulous construction and a 20-degree deadrise. The bow quickly settles during acceleration, giving the captain an excellent vantage point. You can expect stability when navigating through waves or making sharp turns.

While the 355 is perfect for extended voyages to islands or new fishing locations, it remains a fishing boat at its core. The cockpit features twin fish boxes equipped with diaphragm pumps for easy cleanup. A spacious tackle center holds all the necessary gear for a day at sea. Pursuit continues its tradition of calming bait with blue-tinted livewells, including a 28-gallon recirculating livewell. Fresh and raw-water washdown systems are conveniently located in the cockpit and bow anchor compartment.

Rod storage under the gunwales is complemented by a rocket launcher on the standard molded-fiberglass hardtop. Standard features include an aft spreader light, dedicated life-jacket storage, and LED lighting. Twin aft-facing seats provide the perfect spot to monitor the bait, with insulated storage beneath. An

entertainment center with a Bluetooth stereo, molded sink, electric grill, and cutting board enhances the bridge deck, which also includes a refrigerator/freezer for easy access to refreshments. A transom bench and an optional starboard seat offer ample guest seating, folding away when the action heats up.

The helm of the OS 355 is particularly impressive, featuring a custom windshield system with optically clear laminated glass, tempered side glass, and an electrically actuated center vent window for a distortion-free view and open-air feel. Strataglass side curtains provide additional weather protection, while integrated wipers effectively clear spray. The helm is equipped with dual flip-up footrests, an expansive electronics panel, a Teleflex tilt helm with a textured stainless-steel wheel, and a molded captain’s seat. Companion bench seating with storage is available for guests and crew.

Inside, the cabin boasts custom tongue-and-groove wood flooring, sound-dampening insulation, and a modern digital entertainment center. A solid wood table on an electric actuator converts into a queen V-berth with fixed cushions, and a bulkhead rod rack provides additional tackle storage. The standard 16,000 BTU air conditioner with reverse heat and a 50-gallon water tank with a 6-gallon hot-water heater ensure comfort. A Fischer Panda 8 kW diesel generator offers ample power away from the dock.

The full galley features Corian countertops, generous pantry storage, and all necessary appliances for overnight stays, including a refrigerator, microwave, and dual-burner glass cooktop. The spacious head is bright and equipped with a vacuum-flush toilet and a full shower.

With its digital connectivity and premium components, Pursuit has excelled once again. The OS 355 is a trendsetter in the express category, making it a must-see for anyone interested in yacht sales in the current boat location. If you're looking to buy a yacht that combines luxury and functionality, this stunning vessel should be at the top of your list.
