OVERVIEW

"CURRENT PRICE" IS A REFERENCE. ALL OFFERS WILL BE CONSIDERED.

GENERAL DESCRIPTION

The Chaparral 23' bowrider is a stunning vessel, powered by a robust 240hp Volvo V6 engine paired with the innovative Forward Facing Drive (FFD) technology. Unlike traditional drives that push the boat, this advanced system pulls it through the water, enhancing both handling and safety at various speeds, making it ideal for towed watersports. This remarkable boat is often hailed as one of the finest sterndrive wake surf boats globally, featuring 1000 lbs of ballast and precise speed control for wakeboarding. With the FFD and Surf Gate technology licensed from Malibu, this yacht is truly a dream for wake surfing enthusiasts!

Don't miss out on this yacht for sale—act quickly!
