Overview

Impeccable 2021 Maritimo X50, featuring upgraded 800HP Scania engines and a new Quick 19 Gyro Stabiliser installed in July 2022. Recently antifouled, this stunning yacht is ready for immediate delivery with only 148 hours of use.

The exterior of this exquisite Grey X50 is enhanced by a sleek black 2 pac painted roof, radar, targa, domes, and various accessories, making it one of only two Grey X50s ever constructed.

This remarkable X50 boasts powerful 800HP 13 Litre Scania shaft drives, surpassing the standard 670HP Volvo D11, paired with custom-tuned high-performance propellers for exceptional propulsion. Experience thrilling performance alongside a wealth of entertainment and living amenities.

Achieve a top speed of 33 knots with a smooth cruising speed of 26 knots. The yacht is equipped with shaft drive and both bow and stern thrusters for effortless maneuverability.

The X-Series models are designed with an aft accommodation area that expands the living space in the forward section while ensuring optimal hull balance for improved performance, fuel efficiency, and ride comfort. Accessible from both the saloon and swim platform, this aft area features the renowned beach club cabin with ensuite, perfectly suited for entertaining and water sports, and can easily convert into a guest stateroom with a standard hideaway bed integrated into the bar area.

The straightforward design of our direct shaft drive system exemplifies Maritimo's commitment to simplicity and reliability. As leaders in shaft-driven performance, the X50 is engineered to deliver exceptional fuel economy, impressive range, high-speed cruising, and ocean-going comfort, all while maintaining top-tier performance.

Handling and maneuverability are further enhanced by race-inspired hydraulic power steering. When paired with the upgraded Scania 800HP engines, the X50 offers a driving experience that is both responsive and agile, regardless of speed.

Please note that soft furnishings and the jetski are not included in the yacht sale. This luxurious yacht is currently available for sale in the current boat location, making it an ideal opportunity for those looking to buy a yacht that combines elegance with performance.
