Overview

A FRESH PERSPECTIVE ON LUXURY LIVING AT SEA

In crafting the Sun Odyssey 410, Jeanneau collaborated with their esteemed design partner Marc Lombard, alongside Jean-Marc Piaton. Together, they embraced the challenge of merging classic Jeanneau elegance with contemporary yacht design. Much like its larger siblings, the 440 and 490, the Sun Odyssey 410 boasts a wide beam and a walk-around deck, ensuring that life on board is both spacious and comfortable, whether you're cruising or anchored. Effortless sail handling is facilitated by an integrated bow sprit, inboard winches, and recessed control wells.

The hard chine hull, designed by Lombard, paired with a high aspect cathedral rig, guarantees that this vessel meets high-performance expectations. Its sleek, wave-piercing bow minimizes drag while imparting a unique aesthetic. Thoughtful attention has been given to weight distribution and balance in the sail plan, elevating the performance of the Sun Odyssey series. Even the most discerning sailor will appreciate the speed, agility, and ease of handling at the helm.

THE INTERIOR

Beyond enhanced performance, the latest generation of Sun Odyssey yachts offers unparalleled comfort. The innovative high-volume hull design creates bright and inviting interiors.

Similar to the Sun Odyssey 440 and 490, the 410 features a modern, central galley that is exceptionally functional and provides ample storage. A distinctive central daybed, ideal for relaxation, is a standout feature of the 410's cozy saloon. A spacious navigation station to port accommodates serious navigation tasks and additional electronics.

The 410 can be configured with either 2 or 3 cabins, each featuring queen-size berths. It offers the option of a single aft head or an additional head in the master cabin, with both heads equipped with separate shower compartments.

Whether you're planning an overnight adventure, hosting guests, or enjoying a day sail, the Sun Odyssey 410 perfectly balances performance and comfort, making it an exceptional choice in the
