Overview

LARGEST 38' FAMILY CRUISER IN THE WORLD

The Selene 38 Archer Aft-cabin is a remarkable vessel built upon the acclaimed Archer design, featuring numerous enhancements such as Diamond Sea Glaze sliding doors, optional Seakeeper gyro stabilization, advanced Li-Ion batteries, a cutting-edge electricity management system, a convenient sea-chest for simplified maintenance, and an optional water maker equipped with a high-voltage auto-clean feature. This elegant and sophisticated gentleman's yacht has been gracefully navigating the waters of British Columbia, the Bahamas, the Greek islands, and Southeast Asia for decades. Its stunning and inviting design has made it a favorite among yacht enthusiasts, as its distinctive layout ensures privacy for four individuals or two couples.

Due to its manageable size, this yacht can be easily lifted by the smallest Travelift and docked in nearly any marina worldwide. With its timeless lines crafted by Howard Chen and the legendary marine architect Ted Hood, a celebrated winner of the 1972 America's Cup, the Selene 38 Aft-cabin model is destined to remain one of Howard Chen's most cherished creations. The designers embraced the innovative "Whale Back" hull concept, a hallmark of Ted Hood's designs, which contributes to the impressive headroom in the aft cabin and the spacious engine room. It likely boasts the finest engine room layout in its class, making it an exceptional choice for those looking to buy a yacht. Explore yacht sales in the current boat location and discover this exquisite yacht for sale today!
