SPECIFICATIONS

Overview

Introducing the exquisite "Selene 42 EuroDeck," a remarkable yacht that JTM has meticulously crafted over the past few months, set to debut shortly. This stunning vessel utilizes the renowned "Selene 42' Archer" hull while featuring a completely redesigned superstructure.

Powered by a robust single Cummins QSB230HP engine, this yacht for sale boasts a thoughtfully designed layout with two elegant staterooms, showcasing a luxurious teak interior and a fully equipped galley. In comparison to the "Selene 42' Archer," this model offers a more expansive saloon, a generous flybridge, and a spacious engine room. With an upgraded fuel tank capacity of 700 gallons, you can expect an impressive cruising range, perfect for those seeking adventure on the open waters.

The initial response to this yacht sale has been overwhelmingly positive, and we are confident that this new offering will create exciting opportunities for all involved. Don't miss your chance to buy a yacht that promises to be a true standout in the world of yacht sales in the current boat location!
