A HIGHLY EFFICIENT HULL

The Selene 49 represents the latest advancement of the beloved Selene 47. This yacht features the innovative Deep-Hull™ design and Cruiser Stern™, enhancing both the engine room and lazarette headroom while optimizing hull efficiency compared to its predecessor. Externally, the Selene 49 exudes a classic "salty" aesthetic. A notable upgrade is the expanded flybridge, which provides an elegant space for entertaining guests in the fresh air, along with a dedicated area on the aft deck for a dinghy and hydraulic crane. The flybridge layout, available with either a canvas cover or hard-top, includes an L-shaped settee, a table, and a bar complete with a sink and BBQ. The hull is deeper than that of the Selene 47, designed to glide effortlessly through the water. The increased overall length of the Selene 49 results in an additional 8" in the cockpit and 4" more in the salon, creating a generous living space ideal for extended cruising. The salon is exquisitely finished in rich teak. To port, the L-shaped dinette comfortably seats four, while the U-shaped galley forward features granite countertops and modern appliances, including a full-size refrigerator with a freezer. The accommodations below deck, available in two or three-stateroom configurations, are spacious thanks to the expansive hull sections forward. The master stateroom boasts a queen-size island berth, complemented by teak and holly steps on either side, along with two large cedar-lined hanging lockers.

2,000 NM RANGE

The engine room headroom has been increased by a full foot, and the standard Cummins QSL 9.0 330 horsepower engine provides impressive performance. The Selene 49 is an exceptional long-range cruising yacht, with a displacement-to-length ratio of 316 and an A/B ratio of 2.54 at full load. At 1,800 rpm, this yacht achieves a cruising speed of 8.5 knots, offering a remarkable range of 2,000 nautical miles. Additionally, the 49 features an integral swim platform with a telescopic swim ladder. The 18" hull extension of the Cruiser Stern™ provides extra storage space in the lazarette for gear and supplies, while also enhancing buoyancy to balance the weight of the expansive flybridge. As the flagship of the smaller Selene models, the Selene 49 offers a level of luxury typically reserved for its larger counterparts, all within an accessible package that is easy to manage for couples looking to buy a yacht. Explore yacht sales in the current boat location and discover this stunning yacht for sale today.
