Overview

****THE ULTIMATE SELENE TRAWLER EXPERIENCE****

Since its debut in 2002, the Selene 54 has evolved from the renowned Selene 53 to become the most sought-after model in the Selene lineup. It's easy to understand its popularity, offering an exceptional blend of live-aboard luxury and safe, long-distance cruising for couples and their guests. With an impressive eight distinct living spaces, including three well-appointed staterooms (two featuring ensuite bathrooms), a galley seamlessly connected to the salon, and a generous flybridge that will turn heads at any marina, the Selene 54 truly feels like a floating sanctuary. Remarkably, this yacht can be managed effortlessly by a couple, thanks to its secure walk-around decks, Portuguese bridge, dual steering stations, and optional bow and stern thrusters.

****EXCEPTIONAL 2,000 NM RANGE****

At its core, the Selene 54 is a formidable long-range cruiser, embodying the spirit of all Selene Ocean Trawlers. Its hull design features a hard chine in the aft sections to minimize roll, transitioning into the classic round bilges of a displacement vessel in the midsections. This design grants the Selene 54 an impressive cruising range exceeding 2,000 nautical miles at an economical speed of 10 knots. The underwater shape and single-engine configuration create a fuel-efficient vessel, while the large, slow-turning propeller provides immediate responsiveness to throttle adjustments, enhancing maneuverability. After experiencing life aboard a Selene 54, many owners marvel at how so much has been ingeniously integrated into a 54-foot yacht! In reality, it measures 59'10" (18 m) overall, with a beam of 16'8" (5.12 m). The Selene 54 is a displacement motor yacht designed for stylish long-range adventures on the water!

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies elegance and performance.
