SPECIFICATIONS

Overview

Capitalizing on four decades of craftsmanship, the First Yacht 53 stands as the newest addition to the esteemed First collection, introduced by BENETEAU in 1977. Aimed at high-performance cruising and beyond, this "Luxury Performance" sailing yacht is crafted for those who seek speed without sacrificing comfort. Featuring a well-proportioned hull and an exceptionally responsive helm, along with a seamless deck layout and a truly innovative interior, the First Yacht 53 represents a revival of the iconic First legacy.

The First 53 is a masterful blend of elegance and power, an ocean-racing champion elegantly disguised in a sleek, sophisticated silhouette. Its gentle reverse sheer and low-profile coachroof give it an impression of speed, even while docked. However, there is no compromise on comfort or safety in its cockpit and deck design, both of which are thoughtfully arranged and remarkably stylish. Equipped with a performance mast, premium deck hardware, and a finely tuned hull, this yacht promises exhilarating experiences in any conditions, whether you're embarking on a double-handed sunset sail or participating in a fully crewed offshore competition. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies luxury and performance.
