OVERVIEW

Discover the Epitome of Luxury on the Water: A Stunning 60 ft Catamaran

Step aboard this exquisite 2008 catamaran, a true masterpiece of nautical engineering, currently docked in the picturesque waters of France. With a generous length of 60 feet and a draft of 12.303 feet, this yacht is designed for both performance and comfort, making it an ideal choice for those looking to indulge in the ultimate maritime experience.

Powered by two robust Yanmar inboard engines, this vessel glides effortlessly through the waves, reaching a cruising speed of 22 knots and a maximum speed of 25 knots. Whether you're embarking on a leisurely cruise along the French coastline or seeking adventure on the open sea, this yacht promises an exhilarating journey.

The catamaran's hull, crafted from high-quality fiberglass and plastic, ensures durability and stability, while the composite deck offers a sleek and modern aesthetic. The spacious layout provides ample room for relaxation and entertainment, making it perfect for hosting friends and family. Imagine sipping cocktails on the expansive deck, basking in the sun, or enjoying a sumptuous meal under the stars.

With a water capacity of 264 gallons and a fuel capacity of 1190 gallons, this yacht is equipped for extended voyages, allowing you to explore the hidden gems of the Mediterranean without a care in the world. The thoughtful design and luxurious amenities make this vessel not just a yacht, but a floating sanctuary.

For those interested in yacht sales in the current boat location, this stunning catamaran is now available for sale. Don't miss the opportunity to buy a yacht that embodies elegance, performance, and adventure. Whether you are a seasoned sailor or a first-time buyer, this yacht is ready to take you on unforgettable journeys across the azure waters.

Embrace the allure of the sea and make this luxurious catamaran your own. Experience the freedom of the open water and the joy of sailing in style. Your dream yacht awaits!
