OVERVIEW

ALISIOS

Meaning "Tradewinds," this exquisite yacht has spent the majority of her life gracefully navigating the Chesapeake Bay, where her two devoted owners have lavished her with exceptional care. As one of only two Caliber 35 LRC SE models ever constructed, the "SE" signifies Simple Elegance. This distinction guarantees that this Caliber is equipped with a contemporary electrical system, sumptuous interior finishes, outstanding safety features, and remarkable sailing performance.

The current owners have enhanced Alisios with several upgrades, including offshore Tri-Radial sails, an AIS transceiver, and cutting-edge electronics. She strikes the perfect balance between comfort and seaworthiness, making her ideal for both offshore adventures and single-handed sailing. The current owner has dedicated approximately 85% of his sailing time aboard Alisios to solo voyages.
