SPECIFICATIONS

Overview

We are excited to present ANAHITA II, now on the market for yacht sale.

This stunning 18.30-meter planing vessel, a Beneteau Monte Carlo 6, was crafted in 2014 and has only logged 629 hours on her powerful Cummins engines equipped with Zeus pods.

ANAHITA II exemplifies the exceptional qualities of the Monte Carlo series, showcasing meticulous attention to detail and innovative solutions that distinguish her from the competition.

Her flybridge features an expansive terrace and generous sunbathing areas, perfect for soaking up the sun. The spacious saloon comfortably accommodates up to 12 guests, offering plush seating for enjoying leisurely moments on the water, all while being shielded by a stylish carbon T-top. The open deck design promotes seamless interaction between the well-appointed kitchen, the vast saloon, and the central cockpit.

This luxurious yacht can host 6 guests across 3 beautifully designed staterooms located on the lower deck: a full-beam master suite, a forward VIP cabin, and a twin cabin, all with en-suite facilities.

With a top speed of 26 knots powered by her twin 600hp Cummins engines, ANAHITA II glides effortlessly at a cruising speed of 18 knots.

The ample swim platform provides enough space for a sizable tender, enhancing your aquatic adventures.

Currently located in Bodrum, Turkey, this yacht is available for viewing.

If you're interested in yacht sales in the current boat location or wish to buy a yacht, please reach out for more details.
