OVERVIEW

ANJILIS is a stunning 32-meter motor yacht crafted by Holland Jachtbouw in 2004, previously known as CASSIOPEIA. This exquisite vessel is equipped with advanced systems typically reserved for larger yachts, providing luxurious accommodations for up to 7 guests in 3 beautifully appointed staterooms, along with quarters for 4 crew members in 2 cabins, plus a dedicated captain's suite. With twin MTU V16 M90 engines, she glides effortlessly at a cruising speed of 17 knots and can reach an impressive top speed of 24 knots. Her semi-displacement aluminum hull and superstructure are built to meet the stringent standards of the American Bureau of Shipping (ABS) and comply with MCA regulations. In 2021, ANJILIS underwent an extensive 15-month refit, which included the installation of new zero-speed stabilizers and comprehensive engine rebuilds, bringing her back to pristine condition.

The yacht's exterior and interior were masterfully designed by Langan Design Associates, with a fresh interior update in 2021 by Patrick Knowles Designs. The sophisticated teak interior harmoniously blends classic and contemporary elements, creating a warm and inviting ambiance reminiscent of Ralph Lauren's signature style. Expansive windows throughout the yacht provide breathtaking views and an abundance of natural light, enhancing the overall luxurious experience. Renowned for her exceptional technical performance and elegant aesthetics, ANJILIS represents the ideal fusion of comfort and maritime prowess. This yacht is currently available for sale, making it a prime opportunity for those looking to buy a yacht in the current boat location. Explore yacht sales in the current boat location and discover the unmatched allure of ANJILIS.
