SPECIFICATIONS

Overview

The Antares 8 Fishing presents a dynamic and sporty appearance, introducing innovative features that will captivate sea enthusiasts, especially those passionate about fishing. This yacht for sale embodies the signature elegance and style of its renowned line, ensuring true comfort.

Exterior Design

The Antares 8 Fishing exudes a more athletic vibe compared to the Antares 8 Cruising, equipped with specialized gear for fishing aficionados. Its adaptable cockpit enhances mobility, with every element meticulously refined. The traditional aft bench is replaced by a professional fishing station, complete with high-quality rod holders. Additionally, it features a live bait well with water circulation and three under-deck storage compartments, one of which accommodates a fish box. A standout addition is the starboard side access gate, simplifying docking maneuvers and facilitating the boarding of larger catches.

Interior Design

PERFECT FOR PASSIONATE ANGLERS

The fishing amenities on the Antares 8 Fishing make it the perfect vessel for dedicated saltwater anglers. Rod holders are seamlessly integrated into the freeboards and the hardtop extending the roof. An aft searchlight is mounted on the roof, complemented by a forward-facing LED projector light to enhance nighttime navigation.

Versatile Saloon

The adaptable saloon, featuring foldable benches, maximizes space and eases crew movement. When the removable table is set up and the benches are unfolded, the Antares 8 Fishing offers a cozy saloon for enjoying good company, all while being shielded from the elements.
