ХАРАКТЕРИСТИКИ

Обзор

Having previously served as a crew member on the distinguished motor yacht AT LAST, I am thrilled to present her for sale as your dedicated yacht broker. My personal experience aboard this magnificent vessel allows me to share a unique insight into the remarkable luxury and comfort she offers.

AT LAST embodies an extraordinary level of elegance, featuring a modern interior crafted by the acclaimed designer Tui Pranich. The spacious layout creates a bright and inviting ambiance throughout the yacht, making it an ideal retreat for relaxation in style.

Privacy is a key feature of AT LAST. The full-beam master stateroom, situated at the front of the main deck, boasts a centerline king-size bed that provides breathtaking panoramic views. The master bathroom is a true sanctuary, complete with a generous Jacuzzi tub, a roomy shower equipped with a rain shower head, and three additional wall-mounted shower heads.

Beyond the master suite, AT LAST accommodates guests in a variety of staterooms: one additional king stateroom, two queen staterooms, and a twin stateroom with an extra Pullman berth. This arrangement, totaling five staterooms, is perfect for a large family or as an exceptional charter yacht. The king and queen staterooms feature ensuite bathrooms with contemporary glass showers, while the twin stateroom's ensuite bathroom includes a Jacuzzi tub and glass shower combination. Each guest stateroom is adorned with large portholes, allowing natural light to flood the spaces.

The intelligent design of AT LAST places all toy and tender storage on the main deck aft, reducing noise and disruption when accessing these items. This thoughtful layout eliminates the need for large cranes on the bridge deck or sundeck, enhancing the serene atmosphere on board.

The sundeck is a standout feature of AT LAST, providing an exquisite setting for leisurely afternoons. It includes a spacious Jacuzzi at the rear, surrounded by comfortable padding, as well as a generous full-beam sunpad at the front, complete with large umbrellas for shade. Additional amenities comprise a well-appointed bar with seating, a barbecue grill, and a cozy bench seat with a smaller dining table.

Equipped with MTU engines installed in 2009 and driven by Kamewa waterjets, AT LAST boasts an impressively shallow draft for a yacht of her size. This allows her to anchor effortlessly in exclusive and pristine locations in The Bahamas and other shallow waters worldwide.

Having witnessed the exceptional attributes of AT LAST firsthand, I can confidently say that she epitomizes the height of luxury yachting. Whether for personal enjoyment or as a lucrative charter opportunity, AT LAST is a yacht that truly excels in every regard. Explore yacht sales in the current boat location and seize the chance to buy a yacht that stands out among the finest.
