SPECIFICATIONS

Overview

Specifying and constructing the Outbound 56 BAREFOOT was a true passion project for her owners. They envisioned and achieved a top-tier, practical cruising yacht that they could easily navigate as a couple, ensuring safety and comfort for themselves and their young children, even in secluded destinations. This yacht is a meticulously enhanced version of the renowned Hylas 56. Even post-delivery, the owner has continued to refine and upgrade the vessel, including a complete engine replacement! No expense has been spared in crafting this exceptional yacht.

Equipped with hydraulic in-mast furling for the main sail, hydraulic furlers for both headstays, an electric furling gennaker, and electric sheet winches—all operable from the cockpit—this yacht can be sailed singlehandedly (and has been). The interior boasts a charming aft "stateroom," a double cabin at the bow, and a flexible third cabin that can serve as either a single or double, also functioning as a storage area and workbench. This yacht for sale is a remarkable opportunity for those looking to buy a yacht in the current boat location, with yacht sales in the area showcasing its unparalleled quality and features.
