SPECIFICATIONS

Overview

Discover the elegance of this one-owner ST44, now available for yacht sale, featuring a host of impressive updates and enhancements. The standout improvement is the advanced electrical system, which has transformed this vessel into a fully off-grid cruising and diving yacht. Enjoy the luxury of running any 110v appliances without the need to start the generator, and experience the comfort of air conditioning in the master suite throughout the night, powered solely by the batteries. With its solar energy capabilities, this yacht can remain anchored for extended periods while efficiently operating all five onboard refrigerators. The system is intelligently designed to integrate with the generator, automatically activating when battery levels drop to 30% and shutting off at 99%.

- Rainman high-capacity water maker (37 gallons/hour) valued at \$5,100
- AB 9AL rigid inflatable with an aluminum hull and a 9.9Hp Yamaha outboard
- Removable flybridge chuck and lifting harness, priced at \$12,821
- Victron Energy power management system, featuring a 6,000 W charger inverter, 800 AH smart Lithium batteries, Balmar high-output alternator, along with screen and remote monitoring, integrated with the generator, totaling \$42,500
- Four Optima engine starting batteries for \$1,350
- 400-watt Sunpower solar panels priced at \$7,600
- Domestic 55L freezer available for \$1,100
- Privacy/shade curtain for the aft deck at \$1,850
- Dinghy chaps/cover for \$800
- Upgraded Bimini top and flybridge side curtain
- Forward deck lounging mattress and cover (not depicted in images)
- AÉRÉ inflatables/stowable fenders priced at \$1,000
- Superior 4-man offshore container life raft available for \$2,500
- Starlink antenna and router for \$700

This yacht is a remarkable opportunity for those looking to buy a yacht in the current boat location, with exceptional features that enhance both comfort and functionality. Explore yacht sales in the current boat location and seize the chance to own this luxurious vessel.
