SPECIFICATIONS

Overview

Presenting M/Y BIANCINO 2, a pristine VanDutch 55 that has been elegantly refurbished and is now poised for a new owner.

The VanDutch 55 gracefully inherits the iconic lines of the VanDutch 40, crafted by the renowned Franck Mulder design firm. Its striking silhouette, particularly the distinctive straight bow, echoes the success of its predecessor, the VanDutch 40.

With an impressive length of 55 feet, the deck layout provides significantly enhanced accommodations compared to the VanDutch 40. It boasts a spacious sundeck at the rear, a versatile outdoor lounge that is well-protected by a sleek windscreen, and a brand-new fully electric bimini for added comfort.

BIANCINO 2 is equipped with a spacious queen-size V-berth, an additional twin cabin, and a convertible double bed in the saloon, along with a well-appointed galley and a bathroom featuring a WC and shower.

Powered by twin 900HP Volvo inboard engines, this yacht can effortlessly achieve speeds of up to 37 knots.

In turn-key condition, this is a unique chance to invest in a luxurious motor yacht, ideal for extended coastal cruising. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies elegance and performance.
