OVERVIEW

The Baia One Hundred stands as a cutting-edge and contemporary yacht, distinguished by its expansive windshield and entirely open main deck. Stretching from bow to stern, this space is enveloped by a glass surface, transforming an enclosed area into a vast terrace with breathtaking sea views. A defining characteristic is the abundant natural light that permeates every corner, yet numerous features contribute to the Baia One Hundred's status as a truly avant-garde model. At the bow, you'll find a genuine outdoor lounge, while the stern seamlessly merges the cockpit with the interior spaces. The stern door provides access to the expansive glass superstructure, disappearing entirely into the ceiling to create a unified space that blends the living area with the cockpit.

The Master cabin is situated amidships towards the bow, spanning the full beam, and includes a spacious double bed and two desks, one on each side. In the same vicinity, there are two mirrored cabins with twin beds and a VIP cabin, each with a private head. Adjacent to the twin cabins and VIP cabin, a generous sundeck and a C-shaped sofa offer ample seating for all guests on board.

The crew quarters are located at the stern, featuring two cabins with bathrooms, next to a fully equipped galley, ensuring the preparation of exquisite meals even on long voyages.

M/Y BLACK LEGEND has been meticulously cared for by its sole owner and is available for purchase in turn-key condition. If you're considering yacht sales in the current boat location, this is an exceptional opportunity to buy a yacht that combines luxury with innovation.
