OVERVIEW

With its elevated helm and robust design, the Hatteras 48 Long Range Cruiser, BLACK POWDER, stands as a formidable vessel for serious offshore adventures. This yacht for sale, located in the current boat location, features port and starboard wheelhouse doors for swift access, ideal for short-handed line handling. Built on a solid fiberglass, full-displacement hull with rounded bilges and a deep keel, the running gear is well-protected, ensuring a smooth journey. The high flared bow keeps the decks dry, while the full-beam owner's stateroom offers an athwartship island queen berth with ample storage for liveaboards, complete with a bathtub in the ensuite head. The forward guest cabin includes an attached head with a stall shower.

On the main deck, the galley is positioned forward in the saloon, and the wheelhouse is equipped with a U-shaped dinette and a watch berth. BLACK POWDER boasts a custom dinette on the boat deck, just behind the flybridge, shaded by its own bimini. Powered by twin continuous duty-rated Detroit 4-53 engines, each producing 112HP, this yacht cruises at 8-9 knots, consuming only 9 gallons per hour. At a 7-knot cruising speed, the range exceeds 2,000 miles, making it an excellent choice for those looking to buy a yacht capable of long voyages.

This broker has facilitated numerous yacht sales in the current boat location, helping clients purchase well-maintained Hatteras LRC 48s that have successfully cruised from Alaska to Newfoundland. Journeys from New England via Bermuda to Antigua are well within her capabilities, yet she is equally suited for Great Looping or living aboard. If you're considering a yacht sale, BLACK POWDER offers a luxurious and reliable option.
