Launched in 2005, the Meridian 341 Sedan has established itself as a remarkable and elegantly designed yacht that offers a sense of spaciousness beyond its actual length. Featuring expansive tiered cabin windows and an innovative bi-level layout, both the master suite and the VIP stateroom provide complete privacy while granting separate access to a generously sized head with a roomy enclosed shower. The inviting salon and fully equipped forward galley enhance the experience, while the expansive flybridge boasts a thoughtfully designed hatch that secures the molded staircase, maximizing usable space. This yacht is perfect for extended cruising, a feat few vessels in her category can achieve. Recently outfitted with a state-of-the-art hydraulic tender lift, docking is effortless thanks to the bow and stern thrusters. A generator powers dual air conditioning and heating systems, ensuring comfort on board.
