SPECIFICATIONS

Overview

The 260 BR redefines luxury on the water, showcasing an unwavering commitment to excellence both inside and out. When a builder goes to the extent of installing cup holders in the bilge, finishing it with gelcoat, and incorporating porcelain fixtures in the head—just like at home—you can be assured that every detail is of the highest quality.

The dual helm seating features a divider, allowing your companion to find their perfect comfort level.

Cushions are crafted with dry-fast foam, ensuring that water drains away rather than creating unwanted mildew.

Robust double foldout hinges provide effortless access beneath all seating areas.

The cocktail table conveniently straps to the engine compartment, preserving valuable storage space.

With a simple switch at the helm, the engine hatch opens electronically for easy access.

Powered by a Mercruiser 496 MAG with 609 hours and a Bravo III Drive, this yacht is ready for your next adventure.
